Fairness in Employment Monitoring Sheet

The information that you give us on this form will be used for monitoring and will not be used for any other purpose. The form will be separated from your application as soon as it is received and it will not be passed on to anyone involved in short-listing or interviewing for the post for which you are applying.

Help us to help you

Bolton Council is committed to achieving fairness and equality in employment. We want to make sure that all job applicants and employees are treated fairly and are judged solely on their merits and abilities.

One of our most important ways of making sure that we are being fair is by monitoring - counting the people that apply to us for jobs, and those who get our jobs. To help us to do that, please fill out the form on the other side of this page and return it with your application.

What information are we looking for?

We need different kinds of information for different reasons. We ask about your race, your gender, your age, whether or not you consider you are disabled and your religion so that we can check how closely the numbers of people who apply to us for jobs, or who get jobs with us, match up to the local population.

This tells us a lot about whether our recruitment processes are fair and equally open to everyone.

In addition we are asking you to tell us something about your caring responsibilities. By that we mean looking after a child, whether as a parent, guardian or foster parent, or helping an adult carry out their daily routine. This might mean providing assistance to an adult relative or friend who is disabled or has a long term illness. These questions help us to assess the demand for family-friendly policies, such as more flexible working arrangements.

We are also asking about whether you already work for the Council, which helps us to make sure that both internal and external candidates have equal chances of getting Council jobs.

Disability - Definition

Under the terms of the Disability Discrimination Act 1995 a person has a disability if she/he has a physical or mental impairment which has a substantial and long-term adverse effect on his/her ability to carry out normal day-to-day activities.
